

## OBITUARY

### **Joe Davis 3/4/50-14/04/01**

The Waitomo community will not be the same without one of its key members – Joe Davis (more commonly known as Jojo). A founder of *Waitomo Down Under*, Jojo offered healthy competition for Black Water 'Rafting'® Ltd when he opened another cave tubing company in 1992. A keen pig hunter, fisherman and avid rugby supporter, Jojo will also be missed in many realms of the sporting world.

The memory of Jojo will live on in his business and in our minds as we'll never forget the soft sound of his sandals slapping the concrete and a piercing farmer's whistle happily bouting out a tune of some sort, everyday.

Farewell to a husband, father, uncle, brother, cousin, nephew, businessman, hunter, mentor, fisherman and Waitomo's No.1 rugby supporter.
