Ric Tunney. Email: rtunney@tassie.net.au
Mail: PO Box 198 North Hobart 7002

**Australian attempts world
depth record!
Cavex - August 2003**

Read about the exciting push to take the worlds depth record back off the French led an all international team including Al Warild, Australia's legendary caver!

Hear about the organisational problems within a country torn by civil unrest, crossing borders in the night and the final push into Voronya cave on the Arabika Massif - Abkhazia.

Read all about it in an exclusive article for *Australian Caver* Issue 160!

***Australian Caver* 159
– out soon!**

Contents include:

- Cave diving in NSW by Kier Vaughn-Taylor
- Madagascar caves - Arthur Clarke
- Rescue in Saudi Arabia

All this and more in the next issue of *Australian Caver*.

Australian Caver, the journal of the Australian Speleological Federation is now with new format and exciting reading:

For your subscription to *Australian Caver*, contact Jodie Rutco: Jodie@rutco.com.au

SPECIAL OFFER
