

# PUBLICATIONS YOU MUST HAVE!

– Kent Henderson

an incredible resource, also contains the Proceedings of all previous Conferences – from the 1st to the 17th!

Those who attended the Buchan Conference will find a gratis copy included with this Journal. For other members, use the **Order Form** below.

For those members who, unfortunately, missed attending the recent 18th ACKMA Conference at Margaret River, I can offer some consolation. I do have in my possession a small number of copies of the Conference Handbook, and the Conference Field Guide. The former contains lots of interesting stuff, including the abstracts of all the twenty-eight papers presented at the Conference. The latter is a wonderful 'treatise' on the caves and karst of the region. Many thanks to Rauleigh Webb and Ken Grimes for putting it together. I stress the number of copies available is very limited – first in, best dressed. Use the Order Form below.

Also, thanks to the great work of our Executive Officer, Dave Smith, the Proceedings of the 17th *Australasian Conference on Cave and Karst Management*, held at Buchan Caves, Victoria, in May 2007, is now published on CD Rom. This CD,
