

**11TH AUSTRALIAN CAVE & KARST
PRESENTERS CONFERENCE
Sunday 10 February – Saturday 16 February 2008
JENOLAN CAVES, NEW SOUTH WALES
PROGRAM**

Attendees will meet in Sydney early on the Sunday and board a coach, bound for the Blue Mountains and Jenolan Caves. On arrival you will check into your accommodation and complete your registration for the conference. During the afternoon you will have the opportunity to join a public tour of the famous Lucas Cave and also be able to visit the latest product at Jenolan, the self guided tour of the Devils Coach House and Nettle Cave. Your afternoon will enable you to 'Experience Jenolan through the eyes of a tourist', our theme for the conference. Your day of arrival will be capped off with a welcome BBQ catered by the Jenolan Rural Fire Service.

Each day we will have time for talks, presentations and group activities and also visit some of our wonderful selection of developed caves. If you would like to present a paper, slide show or run an activity please let us know so we can allocate time for you and have any resources you need at hand.

You will also be able to participate in our Plughole Adventure Tour, a beginner level adventure tour with enough excitement for most people. You will only need to have some casual comfortable clothes to wear under the overalls we will supply you with. Bring a sense of adventure and some joggers that you are prepared to get a little dirty. We will supply everything else.

Caves House - Jenolan

To our knowledge, no cave site within the ACKMA fold has yet offered to host the next cave guide conference in 2010. This will be discussed and voted on at this conference. Nominations are most welcome, so please discuss this with your cave site manager.

During the week at Jenolan Caves you will be accommodated in Binoomea Cottage which is a shared bathrooms and common room with kitchenette arrangement. Alternatively, you may prefer a traditional room within Caves House which is also a shared bathroom arrangement. Our booking form shows the accommodation price for the six nights at \$300 but you can share with one or two others for fun and savings. There are Classic Room options with an ensuite in Caves House for \$540 for the week for a couple. On receipt of your booking form and payment, we will send you a confirmation and a more detailed itinerary.

We at Jenolan Caves are excited to have you join us for the 11th Australian Cave & Karst Presenters Conference 2008. We are planning a busy week with a mix of learning and fun. Your last day is still a full one, leaving Jenolan Caves by coach, arriving early evening in Sydney.

Guides, book your holidays now and complete your conference booking form early. Managers, please consider sending some staff as training.
